CAPABILITY STATEMENT

Resourcesys, Inc. is an IT Professional Services firm dedicated to delivering tailored solutions and exceptional resources to local and national clients. With a proven track record of success, we specialize in matching the right talent to our clients' precise specifications, ensuring optimal outcomes for their projects.

KEY FEATURES

- **Digital Workforce and Talent Staffing:** We specialize in providing a digital workforce and staffing solutions tailored to meet client needs.
- **Proven Delivery Team:** Our experienced team excels at staffing hard-to-find skill positions.
- **Immersive Client Relationship Management:** We build strong and immersive client relationships to deliver tailored solutions.
- **Comprehensive Hiring Options:** We offer executive hiring, full-time hiring, contract-to-hire, and contractors to meet diverse staffing needs.
- **Solutions-Based Projects:** We excel in digital transformation, ERP implementations, and Cloud migrations.
- **Software Services:** Our software services include end-to-end migration to SAP HANA and S/4HANA.
- **Industry Expertise:** We specialize in healthcare and finance domains, including claims processing, treasury, cash management, and grants.
- **Hire-Train-Deploy:** To help our clients to find a capable employee, we customize a training program, which benefits both parties. This selection program, which joins fully trained employees with a company in need of their skilled talent.
- **Differentiators:** We provide lean leadership and prioritize immersive employee and client engagement. Our strategic location offers easy access to federal agencies, enabling efficient collaboration, decision making and delivery
